

Greater Detroit American Heritage River Initiative Vision Statement

We are filled with pride for our magnificent river and have a shared vision for its regeneration. Our vibrant international waterway inspires a community brimming with fun and excitement, rest and relaxation. A broad diversity of jobs, housing, historic interpretation, recreation and culture breathe life into a 24 hour a day waterfront. Industry, commerce, and tourism growing in harmony with the environment sustain fish, birds, animal, and plant habitats. The River has become the region's front door with access to all inland communities. Its beauty and integrity have been restored, and we thrive within its ecosystem.
